- **YTC & Aqurust** will be responsible for the day-to-day management of the respective scope of work under the program.

Execution & Operational Review

- **YTC and Aqurust** will review the operations of the program twice a year. The purpose of the review shall be to assess the planning and operations of the program including, but not limited to its quality, timeline, performance and progress. The subject of expansion and amplification of the scope of this MoU will also be discussed during this meeting.

Exchange of Information and confidentiality.

The term "information" includes scientific or technical data, results and/or methods of investigation and other information intended to be provided, exchanged or arising under the areas of cooperation identified in the MoU. The parties shall take all measures to protect the secrecy of and avoid disclosure to any third parties and unauthorized use of the information which is confidential and outside the public domain. Individuals who will come into possession of privileged information shall be required to sign a **mutual non - disclosure agreement** to the above effect.

General Provisions

- 1) The institution organizing an item of work shall have the nodal responsibility for mobilizing resources and the conduct of such works.
- 2) The parties shall discuss and finalize the detailed scope of work to be performed by each party for each project and agree on the financial considerations for the same.
- 3) Except as agreed above in (2), each party shall bear the respective costs of carrying out the obligations under this MoU. Neither party shall make a claim against the other party for any expenditure unless such expenditure has been agreed upon in writing between the parties.
- 4) The implementation of the areas and forms of cooperation identified in this MoU shall be subject to the availability and convenience of engineers, faculty, research-scholars, students and infrastructure facilities at the parties' work place.
- 5) Any research publications and commercially exploitable innovations arising out of the joint research projects shall be jointly published or patented as appropriate.

Relationship of the Parties.

This MoU is not intended to create a relationship such as a partnership, joint venture, agency or employment relationship. Neither party may act in a manner that expresses or implies a relationship other than independent contractor, nor bind the other party. Participation in this MoU shall not prevent either party from entering into similar MoUs with other institutions.

Assignment.

Neither party may assign or otherwise transfer any of its rights or obligations under this MoU, without the prior written consent of the other party.

Use of other Party's Name.

Either of the Parties shall not use the other's name, trademarks, seal, photograph or any other identifying or proprietary information in catalogues, advertising & promotional materials or other material, unless the other party has reviewed and approved of the proposed use.

Validity

Unless extended by the Parties in writing this MoU shall remain valid and effective for a period of Five (5) year from the date of execution hereof and can be extended for a further period to be mutually agreed upon. Either Party may terminate this MoU by sending a prior written notice of not less than one (1) month. The provisions of this MoU shall survive the expiry or termination of this MoU for a period of Five (5) years.

Law

- Disputes and claims arising from this MoU or its interpretation, breach, performance or termination, unless settled by mutual MoU in writing shall be finally settled by arbitration in a court of law in Satara, Maharashtra, India. The language of arbitration shall be English and Indian law shall apply. The award of arbitration shall be final and binding on the parties.

Miscellaneous

- This MoU supersedes any prior oral or written understandings and constitutes the entire MoU between the parties with respect to its subject matter, and no modification, amendment or waiver thereof shall be effective unless in writing and signed by both parties.
- Neither party shall make any claim against or be liable to the other for any loss or damage including but not limited to any consequential damages or loss of profits arising from any discussions, actions taken in reliance on this MoU. Unless agreed by mutual consent in writing this MoU will expire automatically on Apr 07, 2024.

Report On Industrial Visit (1day)

Date: 23/01/2023

Training and Placement cell of MCA Department had organized an Industrial Visit Program to Pune, on 21 January 2023. All students were asked to gather in Yashoda Campus, sharp at 7:30 AM. 40 students attended the visit and 3 faculties accompanied them.

Visiting Time: 11:30 AM

Company Name: MD India Health Insurance TPA Pvt Ltd :

The MD India Team gave a warm welcome to all the students. Initially they provided us with visiting ID's. Everyone was assembled in their Conference Hall. Mr. Amit introduced himself and gave a brief about the company. He explained what is Third Party Administration and its working and briefed that MD India's has 150 branches all over the India. MD India is the 2nd rank of in Insurance Company all of India. MD INDIA, as a Third Party Administrator (TPA) has not only grown in numbers – from about 20 to more than 7,000 highly skilled and competent personnel since it commenced operations in the year 2000 – but has emerged as a leading TPA in India, priding itself on the value-added services it provides clients and end customers through customer centricity and innovation with continually evolving expertise in technology, operations and medical proficiency.

Mr. Hemant Shende, IT Head at MD India gave a complete tour of their system the modules and the hierarchy within the system. He explained each and every component very satisfactorily. Students were having tons of queries and all them were answered properly.

At last, refreshments were served to all students and we adieu a goodbye to the company.

Photos of the Industrial Visit:

Company Name: Friends Union for Energizing Lives (FUEL) Training Center:

The tour then headed towards Friends Union for Energizing Lives (FUEL) Training Center at Bhugaon, Pune. At fuel everyone welcomed us and everyone was assembled in the Conference Hall. All our faculties were felicitated. Miss. Ayushi started the session. She taught our students how to present and introduce themselves. She gave certain scenarios and then told them the expected result. Students were learning a lot from the various scenarios. The next session was about resume building. A deep interaction was going on between students and the trainer. Many points in resume building were discussed and confirmed. The students were able to design their resume up to some extent. Then FUEL Institute took some activities like story making and how to introduce itself and how to develop skill and how to make your resume strong.

Lastly they gave us a tour at their center. They showed their development area, library, brain storming lab, assignment labs, training classrooms, digital library and dining areas.

At 7 PM, we headed towards Satara and after having our dinner, we finally reached at Yashoda Campus. Students really enjoyed the visit and thus, the Industrial Visit was a success.

How stock exchanges work, what are the indexes of various stock exchanges and other important functions of it. He also discussed about following topics very effectively. Investment Opportunities in developing country like India, He explained meaning of Investment opportunity as, Investment opportunity means "anything, tangible or intangible, that is offered, offered for sale, sold, or traded based wholly or in part on representations, either express or implied, about past, present, or future income, profit, or appreciation." He explained ten important Investment opportunities as follows. Some of the above investments are fixed-income while others are market-linked. Both fixed-income and market linked investments have a role to plan in the process of wealth creation. While market-linked investments help in navigating the volatility and in the process generate high real return, the fixed income investments help in preserving the accumulated wealth so as to meet the desired goal. For long-term goals, it is important to make the best use of both worlds. Have a judicious mix investment keeping risk, taxation and time horizon in mind.

Dr. V. K. Redasani, Director, YTC, Head of Department Mr. R. D. Mohite with all MBA Staff members and Students of MBA were present for the workshop.

Guest Lecture on investment opportunities and current needs of Industry

Day & Date – Monday, 19th 12. 2022

Yashoda Technical Campus, Satara organized Industry Institute Interaction Programme for MBA, Students on Wednesday 21st December 2022. The main aim to organize such Interaction programme is to get aware the students with various investment opportunities and current needs of Industry, in the market. Also create exposure of Industry Expert to the students.

Introduction to Stock Exchanges

and Live Trading Session The students of MBA are the future budding managers; they have to run the business efficiently. In order to obtain detailed knowledge about upcoming 21st century challenges and also to face the challenges regarding investment opportunities the interactive session of Hon. Shankar Ghadage from CAS Exim & Business Services, Satara was organized. He explained in details about various investment opportunities and how to grow financially through investment in the financial sector. How stock exchanges work, what are the indexes of various stock exchanges and other important functions of it. He also discussed about following topics very effectively. Investment Opportunities in developing country like India, He explained meaning of Investment opportunity as, Investment opportunity means "anything, tangible or intangible, that is offered, offered for sale, sold, or traded based wholly or in part on representations, either express or implied, about past, present, or future income, profit, or appreciation." He explained ten important Investment opportunities as follows. Some of the above investments are fixed-income while others are market-linked. Both fixed-income and market linked investments have a role to plan in the process of wealth creation. While market-linked investments help in navigating the volatility and in the process generate high real return, the fixed income investments help in preserving the accumulated wealth so as to meet the desired goal. For long-term goals, it is important to make the best use of both worlds. Have a judicious mix investment keeping risk, taxation and time horizon in mind.

MCA Department had organized an Industrial Visit at Jijau Software Solutions, Molacha Odha, Satara on 10th September 2022 from 11:00 AM to 2:00 PM. Prof P.S. Gade along with Central TPO Mr. Tushar Shende Sir had organized this Industrial Visit.

Company Name: Jijau Software Pvt. Ltd, Satara

Industry Expert Name: Mr. Rohit Bhole

Industrial Visit began at 11:00 AM from Yashoda Technical Campus, Satara. Prof P.S.Gade and Prof V.V.Kadam Ma'am had organized bus from college campus for ease of students. We reached at the venue and Mr. Rohit Bhole, CEO of Jijau Software Solutions Pvt Ltd, welcomed us all with great enthusiasm. He was excited to interact with students.

Mr. Rohit Bhole Sir, while interacting with students gave a overlook to the current trends in industry. He explained the various roles and position that one may seek while working in IT Industry. The technologies the IT Industry is expecting from the young crowd. While explaining this, he shared his experiences while working with various Clients.

Mr. Rohit explained in detail the technologies that are quite trending in world right now. How the trend is set up, how the customers and user crowd is gained. He expects that students should be clear with their thoughts that where are they going: Service based Industry or Product based Industry. He explained the difference between the two.

Finally he concluded his session by giving a detailed explanation on the project Jijau Solutions is working on. Interacted with students; resolved many doubts of students. The session was interactive and information and interesting. We returned back to college at 2:15 PM.

The Industrial Visit was worth visiting as students gained insights of an IT Industry and the different phases one needs to go while developing a Project. Students liked the visit.

Report of Industry Visit

Industry Visit To Ayurved Arkashala Ltd., SATARA.

On Wednesday, 30th January 2019.

As a part of the curriculum, the students are required to undertake Industrial Visits to industries of repute. We feel it will be fruitful that the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications to curriculum. So as part of college activity, the college has organized industrial visit to Ayurved Arkashala Ltd. situated at Satara on 30th January 2022.

The Ayurvedeeya Arkashala Ltd. was established in 1926 by Late Shri Dr. M.N.Agashe, a devoted worker of Ayurveda. Although, he was graduate of Allopathic medicine, he had a keen interest in Ayurvedic system of medicine. His aim was to provide effective and reliable Ayurvedic medicines to treat common ailments with minimal side effects, at low cost. Arkashala has been engaged in manufacturing Quality Ayurvedic Products for more than 70 years as per standards and procedures prescribed in ancient Ayurvedic texts.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The Activity is coordinated by **Mr. Sachin H. Rohane**, Asst. Professor, T&P In-charge under the valuable and precious guidance of Principal **Dr. V. K. Redasani**.

President Hon. **Dasharath Sagare Sir** and Vice-president, Hon. **Ajinkya Sagare Sir** congratulated and enlightened that this will act as supportive in strengthen the Industry-Institute Interaction. This will also helps the students to enrich the knowledge of ancient Ayurvedic medicine and their preparation methods.

Report of Guest Lecture

Day & Date –Thursday, 28/09/2019 Time: 02.30 PM
Venue: MBA-I Classroom

Name of Guest : **Mr. Sandip Sutar**
Organization: **Sutar Associates**
Designation: **Chartered Accountant**
Work Experience: **Industry**
Topic for the session: **Career Opportunities**

Nature of the Program:
An MBA degree is prestigious as it is accepted worldwide. With more and more Universities including MBA courses in their curriculum, many students are opting for this valuable course. There are several types of MBA; you can choose anyone depending on your criteria. Most of the students enrolling in this course are already employed. So, they either opt for a part time course or quit their jobs and pursue this course or the company they're working for sponsors their course.
Either way, lots of careers are benefited by various types of MBA courses as it helps them gain additional knowledge and obtain a better pay package. Last year it was reported that over 90% of MBA graduates are fully employed and offered better salaries. For students or professionals considering an MBA course, the first thing to do is choose a type.
The following fields have the most popular demand for MBA graduates said CA Sutar –

- Management • Marketing
- Human Resources • Finance
- Accounting • Sales • Healthcare

Event Moments : How to Introduce our self

Networking is an important piece of any job search. Preparing a professional introduction ahead of time will give you more confidence and will help you to be more successful in your networking. This is an introductory statement that states the type of job or internship you are looking for, your skills and your related experience. Communicating your goals and key points in a clear, straightforward manner is very important. Don't assume people will figure out what you want just by stating a job title or the name of a company. Once you have a professional introduction ready, you can tailor it to fit each situation.

You can use your professional introduction:

- ◆ To network at meetings, school, or social activities
- ◆ When you are introducing yourself to potential employers
- ◆ To answer the infamous "What are you doing after graduation?"

Guidelines:

- ◆ Be specific ---communicate your focus or your goals
- ◆ Make your commercial conversational and not too heavy on the content
- ◆ Single yourself out from the crowd --- let your unique skills and personality shine
- ◆ Communicate enthusiasm and motivation

What to include in your professional introduction :

- ◆ What are you looking for? (Describe a dream job, professional career field, fulfilling position)
- ◆ Recent education and relevant experience
- ◆ Areas of expertise/skills/accomplishments
- ◆ Include words that emphasize your enthusiasm

Report of Industry Visit

Industry Visit To Ayurved Arkashala Ltd., SATARA.

On Wednesday, 30th January 2019.

As a part of the curriculum, the students are required to undertake Industrial Visits to industries of repute. We feel it will be fruitful that the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications to curriculum. So as part of college activity, the college has organized industrial visit to Ayurved Arkashala Ltd. situated at Satara on 30th January 2019.

The Ayurvedeeya Arkashala Ltd. was established in 1926 by Late Shri. Dr. M.N. Agashe, a devoted worker of Ayurveda. Although, he was graduate of Allopathic medicine, he had a keen interest in Ayurvedic system of medicine. His aim was to provide effective and reliable Ayurvedic medicines to treat common ailments with minimal side effects, at low cost. Arkashala has been engaged in manufacturing Quality Ayurvedic Products for more than 70 years as per standards and procedures prescribed in ancient Ayurvedic texts.

On behalf of Yashoda Technical Campus, Faculty of Pharmacy, The Activity is coordinated by **Mr. Sachin H. Rohane**, Asst. Professor, T&P In-charge under the valuable and precious guidance of Principal **Dr. V. K. Redasani**.

President Hon. **Dasharath Sagare Sir** and Vice-president, Hon. **Ajinkya Sagare Sir** congratulated and enlightened that this will act as supportive in strengthen the Industry-Institute Interaction. This will also helps the students to enrich the knowledge of ancient Ayurvedic medicine and their preparation methods.
